MONTE  
-  
LORO

Deep and sumptuous pile, with a wonderful texture

# MONTE

Merino Wool - Hand knotted

Hand knotted from the finest Merino Wool, this luxurious rug imbues space with an air of sophistication and elegance.

## MERINO WOOL

Monte collection of rugs, skilfully crafted from the finest Merino Wool fibres, offers a sense of luxury and lasting quality. The refined design incorporates varying pile heights, forming an elegant geometric pattern with a plush and inviting texture.

Merino sheep are known for their exceptionally soft fleece, which provides the rug with a delightful touch without sacrificing on the performance. Merino Wool is not only sustainable, renewable, and biodegradable, but also inherently resistant to stains, soil, and crushing, making Monte rugs a harmonious fusion of elegance and resilience.

Elegance of the most luxurious natural fibres

# LORO

Alpaca Wool - Hand knotted

A touch of nature's luxury, Loro rugs gracefully blend unrivalled warmth and comfort with sophisticated allure.

## ALPACA WOOL

Loro collection of rugs, meticulously hand-knotted from the finest Alpaca Wool, is interwoven with a delicate touch of Bamboo fibres, creating an enduring rug with a subtle shimmer.

Alpaca Wool is a naturally biodegradable, soft, robust, and insulating fibre, with remarkable water resistance whilst maintaining exceptional breathability. In addition to their undeniable beauty, Loro rugs represent a harmonious blend of elegance and sustainability.
